Previous Employments 1993 - 2009

2001 – 2009 **Lawson Software**
(former Intentia International AB (publ))
Danderyd, Sweden

Senior Corporate Legal Counsel – My responsibilities included: Managed legal personnel who are responsible for EMEA and Asia Pacific regions. Organized customer contracting process and maintained standard contract terms in compliance with company-wide contracting standards. Negotiated and advised on policies and practices concerning the preparation and execution of contracts signed on behalf of Lawson with customers, business partners, vendors and other parties. Responsible for drafting and localizing the company's standard terms and conditions. Duties included national as well as international contract negotiations and handling disputes with customers. Advised Lawson about the requirements of applicable laws and regulations. Advised Lawson concerning risk management and dispute resolution. Served on the boards of Lawson subsidiaries and responsible for corporate governance and compliance. Duties also included legal training sessions for the sales force and consultants.

2000 - 2001 **Adcore AB (publ)**
Stockholm, Sweden

Chief Legal Counsel – Adcore AB, a digital business development consultancy company that was traded on the Stockholm Stock Exchange until restructured in 2001 when 28 enterprises in 13 countries with a total of some 1.200 employees had either been divested or wound down. As the Chief Legal Counsel and member of the Group Management Team I was responsible for the legal department and all company law related issues as well as commercial agreements. Duties also included handling international M & A transactions as well as closing-down offices.

1999 - 2000 **Icon Medialab International AB (publ)**
Stockholm, Sweden and Brussels, Belgium

Corporate Legal Counsel – AB LB Icon (former Icon Medialab International AB) is one of the leading international full service companies in digital marketing and technology, traded on the Stockholm Stock Exchange. In the year 2000, the company was represented in 14 countries with about 2.000 employees. As Corporate Legal Counsel I was responsible for the drafting and development of a worldwide stock option program (included 14 countries). Duties included drafting international standard terms for IT-services and national as well as international contract negotiations. Duties also included company law matters and international M & A transactions.

1995 to 1999

Swedish Timber Trade Federation

Stockholm, Sweden

Legal Counsel - The Legal Counsel is the principal legal adviser to the member companies in Sweden, at that time about 400 companies. I was responsible for providing legal advice to the member companies on a wide range of legal issues with particular responsibility for advice on contractual and regulatory issues. I was also responsible for all negotiations concerning standard terms and conditions for the Swedish timber trade worldwide. Negotiated the ruling timber trade contracts with the Timber Trade Federations in Germany, Italy, Japan and UK. Duties also included representing member companies in commercial litigation matters including disputes related to timber trade agents and breach of contract actions as well as running legal education courses for member companies.

1994 to 1995

Nacka District Court

Stockholm, Sweden

District Court Law Clerk – Duties included assisting at judicial proceedings, performing legal research, and providing other assistance to the judge.

1993 to 1994

Schulz Noack Bärwinkel, Rechtsanwälte

Hamburg, Germany

Assistant Lawyer – Duties included representing the law firm in relation to Swedish clients with respect to different contract issues and disputes.
